

About me

Last Updated Sunday, 15 March 2015 18:55

Hello Dear Visitor

I'm mohamad asghari and this is my academic portal. I'm studding on NLP and Semantic Web. My thesis was about Opinion Mining. I am fascinated about new technologies and researchs in Data Mining too. Be free to connect with me. It's make me glad to relate with other researchers and learn new things.
